Week 4

A. Weekly Accomplishments - Describe what task was completed.

1. Description of results with use of tabular and graphical representations to support descriptions.
2. Description/analysis/justification of results.

B. Problems/Issues - Describe the problem/issue, what is the cause, what has been tried to solve it, expected resolution. Explanation on how it affects project schedule.

I had a problem with the formatting of my excel sheet when turning in week 3, however I fixed it and resubmitted it.

C. Next week's planned work - What do you plan to work on next week? If you have pending issues from section B, how will they affect next week's plan?

1. Description of study conclusions.
2. Description of future work.
3. Writing of the Abstract section.
